

Join PTAS Aker Solutions

PTAS Aker Solutions is a joint venture between PTAS and Aker Solutions. The company is locally managed with the full support of Aker Solutions' international expertise, processes and technology. The company has a strong focus on safe execution, efficient work processes, maximizing the use of new digital technologies, continuous improvements, and ensuring development of employee competencies through training and upskilling of locals.

Materials & Logistics Manager

Position Summary

- Act as Company Representative for both internal and external customers on all Materials and Logistics related activities.
- Establish and maintain control of materials in close cooperation with the project organisation and client.
- Ensure proper and adequate material management personnel in all ongoing maintenance and modification tasks.
- Ensure establishment and maintenance of an efficient material management organisation:
 - With clear responsibilities, authorities and command/reporting lines.
 - Compatible with overall project organisation responsibilities, policies and project objectives.
 - Secure good interdisciplinary co-ordination.
- Demonstrate HSSE Leadership by emphasizing personal commitment to HSSE and by promoting PTAS Aker Solutions HSSE principles, HSSE Mindset and Just Care.
- Monitor the HSSE performance of the team and keep focused on building and developing our proactive measures to HSSE.

Requirement & Experience

- Bruneian citizens and permanent residents will be given first consideration for employment.
- 10 – 15 years' relevant experience in planning, managing and supervision of minor and/or major projects, both offshore and onshore, in an oil and gas operating environment.
- Bachelor's Degree in Mechanical engineering or related discipline, or an equivalent combination of education and work-related experience.
- Familiar with the safety aspects of design in relation to the project cycle.
- Familiar with the Quality Assurance and Control requirements of the design cycle.
- Offshore experience desirable.
